## Our game plan

**At Alpha Cares Australia we know that making the most of life means more than just surviving.**

We are a registered provider dedicated to offering complex care, high intensity support, and specialty services for a brighter future of our service users. Led by an experienced team possessing unparalleled expertise, business know-how, and clinical proclivity, you can trust that you're in the best hands when it comes to us.

Everyone's needs are unique—thus we provide customised nursing, care and support services tailored to your individual goals, equipping you on your path towards reaching maximum potential!

If you live challenging life bounded to bed and a wheelchair - remember - YOU ARE NOT ALONE!

We are here for you!

We specialise in caring for people with:

- brain injury
- tracheostomy
- ventilator
- respiratory
- spinal injury
- epilepsy
- neurological conditions
- other disabilities
